

ORDERING EXAMPLE

MIA1-G2 | 50 | C1 | SV | HP | B8

MIA1-G2

WISE

- **MIA1-G2**

50

SIZE

- **20** | **25** | **32** | **40** | **50** | **54** | **60** | **80**

C1

STROKE VERSION

- **C1** = Long stroke
- **C2** = Short stroke, greater gripping force

SV

BASE JAW VERSION

- **SV** = Version for "kit settable control"
- **HR** = Version for milling machine

HP

PRESSURE VERSION

- **LP** = Version at 45 bars
- **HP** = Version at 120 bars (only from size 40 to 80)

B8

STROKE CONTROL (*preparation, excluded sensors*)

Only with base jaw version SV

- **B5** = Settable kit for M5 inductive sensor application (size 20)
- **B8** = Settable kit for M8x1 inductive sensor application (sizes 25...80)
- **B12** = Settable kit for M8x1 inductive sensor application (sizes 54...80)

OPTIONAL

- **CS** = Inductive sensor
- **GR-CC** = Top jaw blank in steel (1 piece)
